The QA appendix is separate. I neglected to include it in what you received. The Region already has the QA section since they were a reviewer. There are no changes to the QA section in Appendix B

Subject: Report for Region 2

I have left the watermark on the report. This version incorporates comments from 3 peer reviews (including Greg Helms of OSWER) and QA. This is ready for you to send to the Region.

Please let me know if you have any questions. I will be submitting into administrative review.
